“ Juggernaut ” Rescue wet/dry cut everything blade

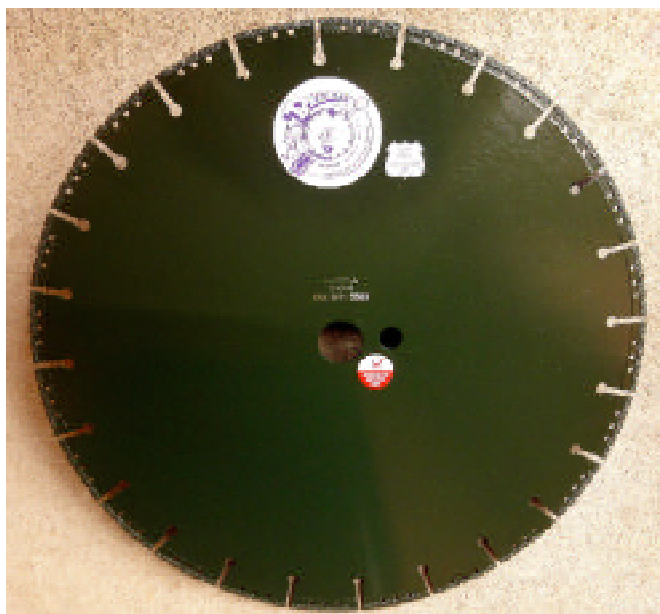

Earthquakes, natural disasters, traffic accidents etc all bring about a need for a blade which can cut virtually anything in it's path.

Confronted with steel, concrete, masonry, brick, timber, and other building materials which must be cut to facilitate rapid removal , special technology is required.

“ Juggernaut “ utilises special high technology to create an aggressive tool best suited to these conditions.

“ Juggernaut ”, has been designed to perform best with power cut off saws like Stihl, Partner, Husqvarna etc. 65..100 ccs where rapid general cutting is required.

“ Juggernaut “ is especially suitable when the going gets tough. We use state of the art vacuum technology and expensive raw materials to produce a blade you can trust when cutting in typical emergency conditions.

“ Working safer working Smarter”
